Dear Director Sessions:

Thank you for your perceptive and interesting article contributed to, and published in our 1989 Special Edition of the American Intelligence Journal that focuses on counterintelligence (complimentary copy attached).

Your thoughts and words concerning this most important activity assuredly will be read by our constituency, the military intelligence professional, and others as well.

On behalf of our Board of Advisors, Directors, Officers and the membership, we appreciate the time and effort taken in preparation of your item and permitting NMIA to publish it our magazine, "The Magazine for Intelligence Professionals".

Again, thank you, and best wishes.

Sincerely,

Col USA (Ret)
